PROFESSIONAL EXPERIENCE

CEO 2019-Present

Labrador Health dba Connections for Health
Chevy Chase, MD

A primary care case management services company primarily focused on addressing social and behavioral health needs of patients to increase the value of care and reduce health inequities.

President and CEO 2012 - 2018

Johns Hopkins All Children's Hospital
St. Petersburg, Florida

- Johns Hopkins All Children's Hospital is an academic pediatric health system that operates a 259-bed acute care hospital, manages ten outpatient care centers in the seventeen surrounding counties, has clinical affiliations with two large regional adult health systems, and employs 247 pediatric specialty physicians (JHU faculty and non-faculty). Johns Hopkins All Children's Hospital had a net operating revenue of \$558 million in 2018 and maintained a Moody's A1 rating. Reported to Johns Hopkins All Children's Board of Trustees and the President of Johns Hopkins Health System.
- Additional positions concurrently held:
 - Vice Dean, Johns Hopkins University School of Medicine
 - President, Johns Hopkins All Children's Foundation
 - Chairman, Board of Trustees, All Children's Specialty Physicians
 - Physician-in-Chief, Johns Hopkins All Children's Hospital
- Accomplishments:
 - Successfully integrated Johns Hopkins All Children's Hospital into Johns Hopkins Medicine
 - Transitioned from physician-centric to physician-led patient-centric organization
 - Recruited and retained diverse team of collaborative executives
 - Initiated multiple initiatives to increase employee engagement
 - Developed and completed ambitious five-year operational and academic strategic plan
 - Exceeded targets for ten-year financial plan by implementing value-based approaches
 - Reorganized physician practice and medical staff governance to increase alignment
 - Organized clinical enterprise around four institutes/service lines and three departments
 - Implemented hospital-wide safety and quality improvements to increase reliability of care
 - Renegotiated managed care contracts resulting in significantly increased collections
 - Actively engaged in raising \$150 million in philanthropy for the academic transformation
 - Effectively advocated the state re: Medicaid rates and specific program support
 - Initiated and supported successful journey to nursing Magnet designation

Hospital Department Chairman 2006 - 2012

Department of Pediatrics and Neonatology
Johns Hopkins Bayview Medical Center

- Led academic and clinical pediatric programs at the second Baltimore-based Johns Hopkins Medicine academic health campus that included 25 faculty and 35 staff.
- Reported to CEO of Bayview Medical Center and Chair, Pediatrics, Johns Hopkins Medicine.
- Accomplishments:
 - Transformed the Department of Pediatrics and Neonatology from a private practice to an academic model by focusing on innovative clinical models for Spanish speaking patients.
